4. **THE TEN COMMANDMENTS OF MARRIAGE:** (Woods) 1. Marriages are made in heaven. But so, again, are thunder and lightning. 2. If you want your wife to listen and pay strict attention to every word you say, talk in your sleep. 3. Marriage is grand---and divorce is at least 100 grand. 4. Married life is very frustrating. In the first year of marriage, the man speaks and the woman listens. In the second year the woman speaks and the man listens. After that, they both speak and the neighbors listen. 5. When a man opens the door of his car for his wife, you can be sure on one thing: Either the car is new or the wife is. 6. Marriage is when a man and woman become as one. The trouble starts when they try to decide which one. 7. Before marriage, a man will lie awake all night thinking about something you say. After marriage, he will fall asleep before you finish. 8. Every man wants a wife who is beautiful, understanding, economical and a good cook. But the law allows only one wife. 9. Marriage and love are purely a matter of chemistry. That is why a wife treats her husband like toxic waste. 10. A man is incomplete until he is married. After that he is finished.
5. **TO ALL SCOTTISH RITE MASONS AND MASTER MASONS;** Reminder; Put March 6<sup>th</sup>, 2008 on your calendar now. The Scottish Rite Center will be hosting Bob Rollins who will be doing impersonations of several historic figures such as General George Patton, Winston Churchill, Patrick Henry and others. Bob has put together a 30-45 minute program call "Patriotic Voices." Bob has performed in many area plays and has performed his one man show over 500 times. This performance is open to the public, bring your wives, friends and relatives.

6. **A FEW THOUGHTS ON THE GAME OF GOLF:** 1. Willie Nelson on what's par on his Texas golf course: Anything I want it to be. For instance, the hole right here is a par 47 and yesterday I birdied the sucker. 2. Craig Stadler stated; " Why am I using a new putter? Because the last one didn't float too well." 3. Chi Chi Rodriguez said; "I have heard people say putting is 50% technique and 50% mental. I really believe it is 50% technique and 90% positive thinking. See, but that adds up to 140%, which is why nobody is 100% sure how to putt." 4. Billy Graham once said; "The only time my prayers go unanswered is on the golf course."
