5. MASON OF THE YEAR FOR 2010: The Lodge has elected Worshipful Brother Jim Huggins as Mason of the Year for 2010. Jim will receive a check for \$150.00 since he has won this award several times before. A first time winner of the award gets a "Masonic Watch." I want to especially congratulate Jim on the time and effort (especially the effort) on trying to get the officers up to par on the conferral of the degrees. Webb Lodge has not conferred a degree for several years and to say the least we were all very "rusty." The officers have to understand that all it takes is your time and practice (Repetition, Repetition, Repetition). The officers and members thank Brother Jim for being **"One of the Faithful Few."**

6. SOME OF THESE MIGHT GET YOU THINKING: 1. I think part of a best friend's job should be to immediately clear your computer history if you die. 2. Nothing sucks more than that moment during an argument when you realize you're wrong. 3. I totally take back all those times I didn't want to nap when I was younger. 4. There is great need for a sarcasm font. 5. How the heck are you supposed

to fold a fitted sheet? 6. Was learning cursive really necessary? 7. MapQuest really needs to start their directions on #5...I'm pretty sure I know how to get out of my neighborhood. 8. Obituaries would be a lot more interesting if they told you how the person died. 9. I can't remember the last time I wasn't at least kind of tired. 10. Bad decisions make good stories. 11. You never know when it will strike, but there comes a moment at work when you know that you just aren't going to do anything productive for the rest of the day. 12. Can we all just agree to ignore whatever comes after Blu-Ray? I don't want to have to restart my collection again. 13. I'm always slightly terrified when I exit out of Word and it asks me if I want to save any changes to my ten page report that I swear I did not make any changes to. 14. I keep some people's phone numbers in my phone just so I know not to answer when they call. 15. I think the freezer deserves a light as well. 16. I disagree with Kay Jewelers. I would bet on any given Friday or Saturday night more kisses begin with Miller Lite than Kay. 17. I wish Google Maps had an "Avoid Ghetto" routing option. 18. I have a hard time deciphering the fine line between boredom and hunger. 19. How many times is it appropriate to say "What?" before you just nod and smile because you still didn't hear or understand a word they said? 20. I love the sense of camaraderie when an entire line of cars team up to prevent a jerk from cutting in at the front. Stay strong, brothers and sisters! 21. Shirts get dirty, underwear gets dirty. Pants? Pants never get dirty and you can wear them forever. 22. Sometimes I'll look down at my watch 3 consecutive times and still not know what time it is. 23. Even under ideal conditions people have trouble locating their car keys in a pocket, finding their cell phone and pinning the tail on the donkey...but I'd bet everyone can find and push the snooze button from 3 feet away, in about 1.7 seconds, eyes closed, first time, every time. 24. The first testicular guard, the "Cup," was used in Hockey in 1874 and the first helmet was used in 1974. That means it only took 100 years for men to realize that their brain is also important. Ladies.....Quit Laughing.

7. JUST A PASSING THOUGHT: To all members of Webb Lodge #166; We have started another year and I hope that we all can make a commitment to again make Webb Lodge one of the premier lodges in the 10th District. How can we accomplish this? First we need **YOUR** participation. We need to increase our attendance so that we can complete all of the works that Worshipful Master David Cross has placed on his trestleboard. We need to contact those members who are in the area and verbally tell them that we all made the same obligation and that we need them to help. Secondly we need all of the officers to step up. It is imperative that a successful lodge needs Leadership. It is the responsibility of the Master to outline a plan and with the help of his officers and the membership, see that the plan is carried out. The Master needs to think **"Out of the Box"**, Initiate the projects and Delegate the work so that **"It Gets Done."** Each officer should take his station seriously; learn the work, learn the duties, learn the next station ahead. Try not to rely on others to do Your Job. Let us all make the effort this year to do a better job than we did in the past. I coined a phrase several years ago: Be One of the Faithful Few. Wouldn't it be nice to be remembered as **"ONE OF THE FAITHFUL FEW"** for the work which you did this year???

8. INVITATION: I would especially like to invite the Worshipful Master, Senior and Junior Wardens and Chaplain to write a short column each month to be placed in this newsletter. I also would like to invite any other brother to do the same if he has something appropriate to contribute. All entries will be subject to editing if necessary. Please email to goblak@comcast.net. Again take the time to do this, make the effort.
