4. **EXCELLENCE (THE WORD OF THE MONTH):** 1. Excellence is an art won by training and habituation. We do not act rightly because we have virtue and excellence, but we rather have those because we have acted rightly. We are what we repeatedly do. Excellence, then is not an act but a habit. (Aristotle) 2. It takes less time to do a thing right than it does to explain why you did it wrong. (Henry Wadsworth Longfellow) 3. If you want to be creative in your company, your career, your life, all it takes is one easy step.....the extra one. When you encounter a familiar plan, you just ask one question; "What else could we do? (Dauten) 4. The secret of joy in work is contained in one word---Excellence. To know how to do something well is to enjoy it. (Lombardi)

5. **PHILANTHROPY, THE EASY WAY (Jack Hendee, 32°):** What is philanthropy? It means in simple terms an interest in the well-being of others. If you were rich, you would donate money. We sure aren't rich folks, but we can donate something; best of all, our time helping others who maybe can't help themselves. In our Masonic organizations, when all the members donate a small amount, we become the biggest philanthropy in the world, so we do good across America and worldwide with practically no effort at all. It is so easy and very satisfying to know that any and all of us can do so much by acting together. Philanthropy is really a big word for such a small effort. If a lot of people pitch in to do good, then philanthropy is easy and there is a lot pride in doing it. Philanthropy begins at home and spreads it's good out from there. Let's continue this tradition in Webb Lodge.

6. **CONGRATULATIONS:** Congratulations are in order for two Webb Lodge members who last month became 32° Scottish Rite Masons. They are **Kenneth Edward Boose and Calop Jackson Bradford**. Kenneth is our Senior Steward and Jack is our newest Master Mason. Congratulations Kenneth and Jack for reaching this Masonic Milestone.

7. **OH NO! MORE BLONDE JOKES:** 1. Two blondes were going to Disneyland. They were driving on the Interstate when they saw the sign that said Disneyland LEFT. They turned around and went home. 2. Two blondes living in Oklahoma were sitting on a bench talking, and one blonde says to the other; which do you

think is farther away Florida or the Moon? The other Blonde turns and says Heellllloooo? Can you see Florida?? 3. A police officer stops a blonde for speeding and asks her very nicely if he could see her license. She replied in a huff, 'I wish you guys would get your act together. Just yesterday you take away my license and then today you expect me to show it to you!' 4. FINALLY, THE LAST ONE: There's this blonde out for a walk. She comes to a river and sees another blonde on the opposite bank 'Yoo-hoo!' she shouts, 'How can I get to the other side?' The second blonde looks up the river then down the river and shouts back, 'You ARE on the other side.' Sorry about those jokes it won't happen for another year, I promise!

8. FUNNY SIGNS:

No matter how treacherous your journey may seem, there is light at the end of the tunnel.

Light travels faster than sound. This is why some people appear bright until you hear them speak.

We'll be friends until we are old and senile. Then, we'll be NEW friends.

God has a sense of humor. Don't believe me? Go to Wal-mart, & just look at people.

9. ALZHEIMERS' EYE TEST: Count every "F" in the following text: Read at your normal rate as if you were reading a newspaper: FINISHED FILES ARE THE RESULT OF YEARS OF SCIENTIFIC STUDY COMBINED WITH THE EXPERIENCE OF YEARS. HOW MANY? 2 or 3? WRONG! There are 6! REALLY! Go back and try to find the 6 F's before you scroll down. The reasoning behind is further down. The brain cannot process "OF." Incredible or what? Anyone who counts all 6 "F's" at first is a genius. 3 is normal; 4 or more is quite rare.

10. MORE BRAIN STUFF: From Cambridge University: Olny srmat poelpe can raed tihs. cdnuolt blveiee taht l cluod aulacly uesdnatnrd waht l was rdanieg. The phaonmneal pweor of the hmuan mnid, aoccdnrig to a rscheearch at Cmabrigde Uinervtisy, it deosn't mttar in waht oredr the ltteers in a wrod are, the only iprmoatnt tihng is taht the frist and lsat ltteer be in the rghit pclae. The rset can be a taotl mses and you can sitll raed it wouthit a porbelm. Tihs is bcuseae the huamn mnid deos not raed ervey lteter by istlef, but the wrod as a wlohe. And l awlyas tghuhot slpeling was ipmorantt; if you can raed tihs psas it on!!

11. YOU KNOW YOU'RE FROM GEORGIA IF: 1. You measure distance in minutes. 2. You carry jumper cables in your car, for your OWN car. 3. You only own four spices: salt, pepper, chili powder and ketchup. No genuine Georgian ever called it "Catsup." Down here it's "Ketchup" and let's not forget pepper vinegar for the greens! 4. Visiting Wal-Mart is a favorite pastime known as "going to town." 5. A carbonated soft drink isn't a soda, cola, or pop...it's a Coke, regardless of brand or flavor. 6. Fried Catfish is the other white meat.
