4. **THE COST OF FREEDOM (by Howard Coop, 32°):** Brethren, as you know Memorial Day is just around the corner. It is sad that many of our younger generation only think of Memorial Day as another holiday which allows us a day off from either work or school. I just recently read an article which I would like to reprint (not in it's entirety) by Brother Coop in the Scottish Rite Journal. He states that most Americans observe Memorial Day in one way or another. While some individuals see only an extra three day weekend, many citizens are more perceptive. They recognize that the purpose of the observance is noble and has remained unchanged through the years. Since it began in 1868, Memorial Day has been set aside to honor the memory of those patriots who served their country in time of need, some of whom gave the full measure of devotion. From Bunker Hill in 1775 to Baghdad in 2011 and on numerous occasions between those significant places and dates, men and women have answered when the call came to serve their country. As true patriots always do, they made personal sacrifices involving themselves and their families. Their courageous efforts protected our land and preserved the freedom we cherish. Let's not forget, those flags waving in the spring breeze in the cemeteries on Memorial Day are silent reminders of the cost of the freedom which we too often take for granted. The flags mark the resting places of a host of courageous men and women who served their country faithfully. **To them, we owe a debt that can never be repaid.**

5. **THE BENEFITS OF BEING A MASON (Reprinted from the Virginia Masonic Herald Magazine):** The **Opportunity to Fellowship** with those of like mind. Our obligations freely taken are the same no matter how many years we have been a Mason. The opportunity to form **Lifelong Friendships**. Friendships that enable each of us as Master Masons to say to our loved one, "If something happens to me, call my friend and Brother, he will always be there for you." The opportunity to come under a massive **Umbrella of Love and Understanding**. Every member of the Fraternity is there for you, you need only ask. The opportunity for **Leadership**. The opportunity to form a bond with Brethren who have a genuine **concern for each other's well being as well as society as a whole**. The opportunity to belong to a fraternity that believes

in **Charity toward all men.** The opportunity to come under the **Protection of a Family**, a society of friends and brothers. The opportunity to belong to a Fraternity that believes in the **“Brotherhood of Man, Under the Fatherhood of God.”**

*QUOTE OF THE DAY: WE ALL GET HEAVIER AS WE GET OLDER BECAUSE THERE IS A LOT MORE INFORMATION IN OUR HEADS! (that's my story and I'm sticking to it)*
